(Nebulizer, dressing changes, splints, incision and drainage of wound infections and many more)

What we don't treat

- Life Threatening Emergencies
- Labor and Industry Claims
- Severe pain requiring Narcotic prescriptions (We have a "NO Narcotic Policy")

How do we do it?

Our providers are Nurse Practitioners and Physician Assistants with over 25 years of combines experience. In addition we have streamlined our overhead without compromise to the patient. We keep our costs low by asking patients to check themselves in and bill their own insurance. We gladly provide receipts for services rendered.

What We Treat:

Urgent Problems such as..

- Bladder Infections
- Ear Infections
- Eye Infections
- Colds
- Coughs
- Cuts and Scrapes
- Flu
- Rash
- Sinus Infections
- Skin Infections
- Sore Throats

Non-urgent problems such as:

- Erectile Dysfunction
- Short term treatment for problems such as high blood pressure, high cholesterol, diabetes, depression etc. when your primary provider is unable to see you or you have not established with one yet.
- Much much more
